What to bring: Please bring a yoga mat - by doing so, you can practice what you learn at home, too! Mats can be purchased at local stores such as Target, Dick's Sporting Goods, and other locations (or online - see link below). If you do not have a mat or forget your mat when coming to class, no worries, you are always welcome to borrow one from the studio. The studio will provide all additional yoga props as needed.

Yoga mats: Here's a link for a standard yoga mat that would be great for class, and is sold at a very reasonable price. They have some other mats with fun designs that you can check out.
